Check out the LRL's [state budget timeline](#) as you follow the budget process for the 2020-2021 biennium. The Senate and House's preliminary funding recommendations will be posted when both bills are filed, as will the governor's budget recommendations.

You can click through the timeline to see what is scheduled to happen in each date range. The LRL will add links to documents as they are released.

Past budget timelines are available in PDF form just below the timeline, as well as a variety of other budget resources. Be sure to check back for updates as budget planning progresses for the upcoming biennium.
