Are you wondering when the recent Texas wildfires were officially [declared a state disaster](#)? Or interested in a copy of Sam Houston's [inaugural address](#)? Take a look at the library's [Texas Governors Database](#). It includes biographical information and dates of service for all of Texas' chief executives, from [J. Pinckney Henderson](#) in 1846 up to current Governor [Rick Perry](#). In addition, each governor's page provides links to full-text copies of their speeches, executive orders, proclamations, vetoes, and other official documents. The [searchable](#) database indexes documents by type, session, and bill and lets you search across multiple governors. The database is a work in progress and we're still tracking down documents for some governors, so check with the [library](#) if you don't see a document you are looking for.
