The library adds **new books** to its collection every week. Here are six Texas-themed books recently added.

Going to Texas: Five Centuries of Texas Maps, presented by the Center for Texas Studies at TCU (2007).

"These maps tell us much about the geography of Texas, but also about its economics, social milieu, history, politics, foreign policy and politics at given moments in history ... In doing so, they provide a window into the things that make Texas unique." (Website)

Historic Texas: An Illustrated Chronicle of Texas' Past, by Archie P. McDonald (1996).

"This is a look at the events, the cultures, the well-known and perhaps not-so-well-known happenings, politics and actions that influenced the growth and changes that have become your area." (Website)

Texas: Mapping the Lone Star State Through History, by Vincent Virga and Don Blevins (2010).

"Combining 50 rare, beautiful, and diverse maps of Texas from the collections of the Library of Congress, informative captions about the origins and contents of those maps, and essays on Lone Star State history, this book is a collectible for cartography buffs and a celebration of state history for residents, former residents, and visitors." (Website) [Book does not circulate]

Notable Men and Women of Spanish Texas, by Donald E. Chipman and Harriett Denise Joseph (1999).

"By combining dramatic, real-life incidents, biographical sketches, and historical background, the authors bring to life famous (and sometimes infamous) people of Spanish Texas." (Website)

Texas: Crossroads of North America, by Jesús F. de la Teja, Paula Marks, and Ron Tyler (2004).

"Incorporating the latest scholarship, this text chronicles the development of the political, economic, and social identity of Texas through the unique insight of three authors. The thematically arranged text covers the full scope of Spanish exploration and colonization efforts, as well as the transformation of the Texas economy and society in the 20th century." (Website)

William Barret Travis: A Biography, by Archie P. McDonald (1995).

"[This book] is the first scholarly biography of the legendary Alamo commander ... [It] is an in-depth study that searches for an understanding of Travis' character and multifaceted personality. The result is an exciting and entertaining, but above all contemplative analysis of Travis and the Texas War for Independence." (Website)
