August 9, 2022

House Committee on [Juvenile Justice & Family Issues](#)

Charge: Monitor the agencies and programs under the Committee's jurisdiction and oversee the implementation of relevant legislation passed by the 87th Legislature. Conduct active oversight of all associated rulemaking and other governmental actions taken to ensure the intended legislative outcome of all legislation, including the following:

- [HB 4544](#), relating to providing children committed to the Texas Juvenile Justice Department with certain documents on discharge or release, authorizing a fee.

Charge: Explore ways to modernize the juvenile justice system for youth on probation and incarcerated youth. Review statewide resource allocation, including available staffing, and identify potential geographic limitations. Investigate the best practices of smaller specialized facilities for youth committed to the Texas Juvenile Justice Department while leveraging the Department's current facilities and staff. Analyze the current gaps in county-level services and funding and make recommendations to address those gaps.

Charge: Examine workforce issues at state and local juvenile correctional facilities and consider the state's incentives to recruit quality staff. Consider the geographic areas where specialty providers are concentrated and the viability of opening specialized facilities for the state's youth with the highest therapeutic need to relieve the state's current rural facilities struggling with staffing. Consider consistent investments the state can make in local probation to encourage their facilities to divert youth from the juvenile justice system.

#### House Committee on [Public Education](#)

Charge: [HB 3906](#) (86R), relating to the assessment of public school students, including the development and administration of assessment instruments, and technology permitted for use by students.

Charge: Study the unfulfilled recommendations from the 2016 Commission on Next Generation Assessments and Accountability. Evaluate the state's progress on assessments and accountability and consider possible legislation to support the recommendations from the report. Study and recommend measures needed at the state level to prevent unintended consequences to students, campuses, and districts, including changes that could improve the system for students or help public schools serving a disproportionate number of educationally disadvantaged students impacted by the pandemic.

### House Committee on [Higher Education](#)

Charge: Monitor the agencies and programs under the Committee's jurisdiction and oversee the implementation of relevant legislation passed by the 87th Legislature. Conduct active oversight of all associated rulemaking and other governmental actions taken to ensure the intended legislative outcome of all legislation, including the following:

- [SB 1102](#), relating to the establishment of the Texas Reskilling and Upskilling through Education (TRUE) Program to support workforce education; and
- [SB 1295](#), relating to financial support and incentives for comprehensive regional universities.

Charge: Examine factors that have contributed to the rising costs of higher education, including the effect of statutory tuition and fee waivers and exemptions, the cost of compliance with state and federal mandates, and the increase in the number of non-faculty staff. Make recommendations for controlling these costs and ensuring a sound fiscal approach to managing college affordability for the future.
